## STEELCASE WOOD

Steelcase Wood Furniture combines over a century of craftsmanship with today's technology to offer the broadest selection of beautiful wood furniture, whether you are furnishing one work setting or an entire building.

We provide individual attention to meet your exacting expectations, from innovative team environments to executive boardroom. We can also help you create a customized solution with the expert assistance of our Treehouse Studio.

When you choose Steelcase Wood Furniture, you get more than just furniture. You get a comprehensive system that enhances the way your whole organization works, along with the personal service and support you have come to expect from Steelcase Wood Furniture.

## GENTRY

A full family of seating, including both desk and guest models, Gentry provides a complete, contemporary solution for any desk or conference application. Gentry looks comfortable, and it is. Gentle backrest and seat contours provide healthy user support. A waterfall front seat edge, optional seat angle adjustment, and adjustable seat height and tilt tension accommodate a higher level of ergonomic comfort. Designed for Steelcase Wood Furniture by Arnie Dammermann.
