Expand Ideas

Looking for a way to maximize collaboration? Meet Edge™.

More writing or tackable surface with less trim makes the Edge Series perfect as a stand-alone board or as a companion board to PolyVision's CopyCam® Image Capturing System.

Form Meets Function

Edge is part of PolyVision's Commercial Series of markerboards, tackboards, and projection screens. Designed to complement any environment, with the broadest range of trim styles and the world's leading writing surface - now you never have to choose between form and function.

Visualize your Environment

Its clean lines and array of sizes and mounting options make the Edge Series a perfect fit for all environments. From individual work spaces to large educational settings, Edge works where you do.

Unsurpassed Quality

Guaranteed to look great year after year, PolyVision's proprietary P³ ceramicsteel® writing surface has a lifetime warranty and will never ghost, stain, or scratch. The Commercial Series is also backed by PolyVision's Ten Year Warranty on workmanship and materials.

Simple. Effective. Extraordinary.
The way communication should be.
