

Huddleboard™

Commercial Markerboard System

Form & Function

Ledge Grabber anchors Huddleboards to any horizontal surface

Marker Grip attaches to any Huddleboard and holds single dry erase marker

Panel/Structural mounted tray can be mounted on panels or drywall.

Ideas on the Move

What if ideas didn't have to stay in one place? Meet Huddleboard™.

Lightweight, portable and versatile—Huddleboard puts marker and display surfaces wherever they are needed. Huddleboard markerboards paired with mobile accessories make Huddleboard a useful tool in both individual and team settings.

Form Meets Function

Huddleboard is part of PolyVision's Commercial Series of markerboards, tackboards, and projection screens. Designed to complement any environment, with the broadest range of trim styles and applications – now you never have to choose between form and function.

Create the Ideal Environment

The options are endless with Huddleboard: use a single Huddleboard, store and move up to ten double-sided boards in the Mobile Easel for more than 187 square feet of writing surface, or hang Huddleboard from the 8' Worktool™ Rail or any horizontal surface using the Ledge Grabbers. Huddleboard can be used anywhere with minimal to no installation required.

Unsurpassed Quality

The Commercial Series is backed by PolyVision's Ten Year Warranty on workmanship and materials.

Simple. Effective. Extraordinary.

The way communication should be.

Features and Technical Specifications

Huddleboard™ Components

Huddleboards

Markerboards

- Double sided
- Available in 2 sizes: 23" x 32" (600mm x 800mm) and 32" x 42" (800mm x 1000mm)
- Weigh less than 5lbs (2.3kg)
- White marker surface accepts dry erase markers

Poster Boards

- Double sided, 32" x 42" (800mm x 1000mm)
- Front features 3m repositionable adhesive with clear flexible cover to allow display without tacks or pushpins
- Reverse is white marker surface
- Both surfaces accept dry erase markers

Accessories

- Ledge Grabbers anchor Huddleboards to panels, storage cabinets and other horizontal surfaces
- Flipchart Pegs attach to the frame of the Huddleboard and accept standard flipcharts
- Marker Grip attaches to the side of any Huddleboard to hold a dry erase marker

Display Tools

Worktool Rail

- Mounts to structural (drywall) walls
- Allows Huddleboards to be wall-mounted and slid into position as required
- 96" long (2400mm)

Mobile Easel

- Stores and transports 10 double-sided markerboards, offering more than 187 Sq Ft (17.4m²) of display (order Huddleboards separately)
- Adjusts to seated or standing height

Folding Easel

- Easy to move, supports Huddleboards in portrait or landscape format

Poster Rack

- Accommodates up to 5 Huddleboards in a corner application

Trays

- Provides display space and storage for dry erase markers and erasers
- Freestanding 24" wide (600mm)
- Panel/structural wall mounted, available in 3 widths: 36" (900mm), 48" (1200mm) and 72" (1800mm)

Warranty

- 1 year on Huddleboard marker and poster boards
- 10 year Warranty on materials and workmanship
