

Detour™ Mobile T-Screen

statement of line

Mobile T-screens are available in two widths and heights, with a variety of surface options including marker, translucent and tack surfaces.

dimensions

Depth: 24"

Width: 48" or 60"

Height: 54" or 66"

surface materials

Frame: any Metro MetalColor

Upper large panel: marker or translucent surface

Upper end panel: marker or tack surface

Lower panels and upper inside panels: plastic laminate or wood

design

Created by Metro in collaboration with Steelcase & IDEO.

Flip Chart Peg Detail

Flip chart pegs are included with end panel marker surfaces on 66" high mobile T-screens.

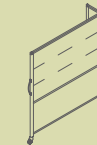

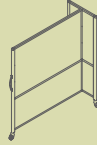

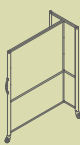

Handle & Translucent Detail

The integrated cast handle supports ease of movement. The translucent surface provides visual privacy and diffuses light.

Tool Tray Detail

An integrated tool tray stores marker, erasers, and push pins.
